

Dear Footgolfer,

Welcome to Rutland County Golf Club. We hope that you have an enjoyable visit. Do remember that in order to create a more level playing- field, you have the opportunity to include the half-buried tyres in your game. See the rear of the score card for more details.

**For your comfort and safety, please note the following advice:**

- At all times take care, especially during damp/wet conditions, when the surface of the Course can become slippery, also take special care when there are very young people taking part. Remember to complete your score as you go along.
- Your game will take you near to an active 6-hole golf Course, so make sure you keep a sharp lookout for golfers who may be playing normal golf. If someone shouts “fore” - turn away from the warning shout, crouch down and cover your head with your hands.
- Your game will take you quite close to the 18-hole golf Course especially when you are on the 1<sup>st</sup> Tee and playing the first hole, so please ensure that you keep noise levels to a minimum. Furthermore, after you have finished your game and are heading back to the Clubhouse/Driving Range, golfers on the main Course are finishing their final hole, and need quiet conditions.

- Organisers, please arrange for your group to assemble at least 20 minutes before your allocated Tee time at the south end of the Driving Range. The Driving Range will be active, so once again please keep noise levels to a minimum. There are toilets and a coin-operated coffee machine available in the central portion of the Driving Range. They must be accessed from the Car Park entrance only. Do not walk along the open bays.
- Organisers please report to the Pro-shop (signposted) to book-in, collect footballs and make payment as necessary
- Marker posts (black & white), signify the correct and safe route to the 1st Tee. Take great care when crossing the road as vehicles pass in both directions.
- By prior arrangement, refreshments can be provided in the Driving Range.

Finally, enjoy your day with us and we look forward to welcoming you again soon.
